

André Pedroso

Tech Lead .NET @WeAreBrain

Profile

I'm a Tech Lead & Senior Software Engineer with +15 years of experience mainly on Microsoft tech stack.

I love working within a team and for the team always looking for the best working environment. As a team lead, mentor, and solution architect, I aim to provide the best tools and solutions to promote the team's autonomy.

I've been involved with SCRUM and Kanban methodology.

Some techs/solutions/designs I've been using are: .NET, ASP.NET Core, APIs, gRPC, OAuth2, OpenID Connect, SQL, EF Core, Dapper, Serilog, Swagger, CQRS, Azure, DevOps, CI/CD, Docker, Kubernetes.
